

PUBLIC OPINION STRATEGIES

turning questions into answers

AS WE CELEBRATE THE 30TH ANNIVERSARY OF THE FOUNDING OF OUR FIRM, PUBLIC OPINION STRATEGIES IS PROUD OF OUR NETWORK OF MORE THAN 200 POS ALUMNI. FORMER POS EMPLOYEES HAVE GONE ON TO ACHIEVE GREAT SUCCESS IN WASHINGTON, THROUGHOUT THE COUNTRY, AND AROUND THE WORLD.

Since leaving the firm, former POSers have gone on to:

- Hold senior leadership roles at the White House, the NRSC, the NRCC, the RNC, and on presidential campaigns.
- Serve as chief of staff, legislative director, press secretary, and scheduler for members of the U.S. Congress.
- Manage winning political campaigns up and down the ballot.
- Found and run one of the most prominent Republican lobbying firms in Washington.
- Lead the research arms of two of the largest public relations firms in the world.
- Direct the communication efforts of major trade associations and influential companies.
- Graduate from law school, clerk for judges, and work for some of the most successful law firms in the country.
- Graduate from business school and go on to hold leadership roles for Fortune 500 companies.
- Start a major data processing company (which means they still get to work with us every day!)

And, most importantly, we are especially proud that nine of our twelve partners started out as staff and worked their way up to the partnership level.

(The other three partners did not have the opportunity to work their way up to partner, because they founded the firm!)
